

NILOY DEBNATH

B.Sc. in Computer Science & Engineering

Sector-10, Uttara, Dhaka-1230

Phone: +8801893567193 | Email: dniloy134@gmail.com
LinkedIn: [Niloy Debnath](#) | GitHub: [niloydebnath-1](#)

PROFILE SUMMARY

Computer Science and Engineering student with hands-on experience in developing full-stack web applications and software projects using modern web technologies. Capable of working across front-end development, back-end development, databases, RESTful APIs, version control, and cloud-based services. Possesses a solid foundation in object-oriented programming, data structures, algorithms, and problem solving, with a strong interest in building practical and user-focused software solutions.

EDUCATION

Bachelor of Science in Computer Science and Engineering	<i>Final Semester</i>
International University of Business Agriculture and Technology (IUBAT)	CGPA: 3.52 / 4.00
Higher Secondary Certificate (HSC), Science	2018 – 2020
Government BM College, Barishal	GPA: 5.00 / 5.00
Secondary School Certificate (SSC), Science	2016 – 2018
Ulania Coronation High School	GPA: 4.94 / 5.00

SKILLS

Technical Skills

Programming Languages	C, C++, C#, Python (Core and OOP), JavaScript
Web Technologies	HTML5, CSS3, RESTful APIs
Frameworks and Stacks	MERN Stack (MongoDB, Express.js, React.js, Node.js), Next.js (Basic)
Database Management	MongoDB, MySQL, SQLite
Firebase Services	Firebase Authentication, Cloud Firestore
Version Control	Git, GitHub
Tools & Others	VS Code, Visual Studio, CodeBlocks, Canva

Soft Skills

- Public speaking, customized presentation preparation, and speech delivery.
- Strong communication skills.
- Adaptability, self-motivation, and multitasking.
- Leadership capabilities through experience as a team co-leader and volunteer.
- Decision-making ability.

PROJECTS

- Safe Path – Community Safety and Hazard Reporting App** *IIEC Hackathon 2026*
Group-Project | Kotlin, XML, Firebase, MapLibre, CameraX, Supabase
 - Developed an Android-based community safety and hazard reporting application with image capture, GPS location, AI-assisted analysis, real-time map markers, nearby danger alerts, and SOS functionality.
 - Implemented role-based dashboards and authority-specific report filtering for Citizens, Police, City Corporation, Disaster Management Board, and Administrators.
 - [Source code](#)
- Niloy Mart**
Self-Project | React.js, Node.js, Express.js, MongoDB, JWT
 - Developed a full-stack e-commerce application with user authentication, product browsing, shopping cart, checkout, order history, and an admin dashboard.
 - [Source code](#)
- Used Book Market**
Group-Project | ASP.NET Core MVC, C#, Entity Framework Core, SQLite, Bootstrap
 - Developed an online marketplace where users can browse, buy, and sell used books with cart, checkout, order management, and admin approval features.
 - [Source code](#)

4. Find Home

Self-Project | HTML5, CSS3, Vanilla JavaScript

- Developed an online house-rental platform where users can browse and explore different homes available for rent.
- [Source code](#)

5. ATM-Bank Management System

Self-Project | HTML5, CSS3, PHP, MySQL

- Developed a web-based banking management system for managing customer accounts, transactions, and account information through a responsive interface.
- [Source code](#)

ACHIEVEMENTS & TRAININGS

- | | |
|---|------|
| • 4th Place – IIEC Hackathon 2026
Secured 4th position for developing <i>Safe Path</i> , a community safety and hazard reporting application. | 2026 |
| • Vice Chairperson – Bangla Innovator, IUBAT Campus Team
Contributed to campus-based innovation, collaboration, and organizational activities. | 2025 |
| • 11th Place – Intercollegiate Math Olympiad
Achieved 11th position representing Govt. BM College, Barishal. | 2019 |
| • Abstract Writing Competition – RUEC 1st International Research Conference
Participated in the abstract writing competition organized as part of the international research conference. | 2025 |
| • TEDxUttara
Attended talks and discussions focused on ideas, innovation, and personal development. | 2025 |
| • Full Stack Development with MERN Course
<i>Grameenphone Academy Online</i> | 2025 |
| • Professional Development Courses
<i>Grameenphone Academy Online</i>
Completed training in Introduction to 2D Animation, Canva for Presentations, Career with AI, and LinkedIn 101. | 2025 |

HOBBIES

- Coding, problem solving, and exploring new technologies.
- Playing different types of musical instruments.
